

Driving Directions to Waters McPherson McNeill, P.C.
300 Lighting Way 7th Floor
Secaucus, NJ 07096

FROM WEST (Rt. 3) Take Rt. 3 East past "Meadowland Parkway" exit in Secaucus. Keep right onto Rt. 3 East Service Road. Exit at ramp to "Harmon Meadow Blvd." (immediately after passing under N.J. Turnpike overpass). Take Harmon Meadow Blvd. to the 3rd traffic light (there will be a Sam's Club and Wal-Mart directly in front of you). At that 3rd traffic light, make left onto Park Place (bridge crossing the N.J. Turnpike). Bear left onto Mill Creek Drive (Mill Creek Mall will be on the right). At the stop sign, make left onto Lighting Way. 300 Lighting Way will be on your right. Convenient parking is available in the parking deck to the left.

FROM NORTH (Rt. 80, Rt. 95, George Washington Bridge) Take the N.J. Turnpike South (Rt. 95) via the Eastern Spur (toward Lincoln Tunnel) to Exit 17. Bear right after toll, following signs to "Secaucus". Proceed through traffic signal and over bridge onto Harmon Meadow Blvd. (Follow above directions from Harmon Meadow Blvd.)

FROM SOUTH (Rt. 95, Newark Airport) Take the N.J. Turnpike North (Rt. 95) via the Eastern Spur to Exit 16E. Bear left after toll, following signs to "Secaucus". Proceed through traffic signal and over bridge onto Harmon Meadow Blvd. (Follow above directions from Harmon Meadow Blvd.)

FROM EAST - LINCOLN TUNNEL Exit Tunnel left onto ramp. Continue on ramp to "Secaucus" exit. You will be on Route 3 West. Stay on service road of Route 3 West to "Secaucus" sign on right. Just after Linens 'N' Things, take the "Mill Creek Drive" exit on your right. Stay on Mill Creek Drive to "Lighting Way". Make right onto Lighting Way. Continue to "300 Lighting Way". We are right across the street from the Bonefish Grill. Parking garage is also across the street. We are on the 7th floor.

FROM HOLLAND TUNNEL Exit Tunnel and stay to your left. You will go through approximately 3 traffic lights before you come to a ramp (straight ahead). Stay in your far left lane on the ramp and follow signs for Routes 1 & 9. You will be driving under an overpass and should stay in your right lane. You are going to make your first right hand turn, exit down the ramp and merge into Routes 1 & 9 North (Tonnel Avenue). Stay on 1 & 9 for approximately 3 miles. When you see McDonalds you should get into your left lane and follow signs for Route 3 West. When you merge into Route 3 West follow signs for the Secaucus Service Road (on your right). Get on service road of Route 3 West and look for "Mill Creek Drive" sign. Stay on Mill Creek Drive to "Lighting Way". Make right onto Lighting Way. Continue to "300 Lighting Way".
